

Bachelor of Business (Halal Logistics and Supply Chain Management) with Honours

KPT/JPT (N/345/6/1155) 01/27
MQA/PA 15026

Program Information

Fees: MYR 60,600

Duration: 8 Semesters / 3 Years

Mode: Full Time

Intakes: March & September

The Bachelor in Business (Halal Logistics and Supply Chain Management) with Honours is designed to help develop knowledge and interest in contemporary issues central to the logistics and supply chain management of halal industry. It takes a comprehensive look at all aspects of the logistics industry, including its history, global role, current challenges and future directions. It presents students with a full range of contemporary issues, including traditional supply chain management issues, as well as more specific halal-oriented business concerns. This program is particularly significant in supporting the national aspirations to be the global halal hub.

About MISI University

Formerly known as Malaysia Institute for Supply Chain Innovation (MISI) was launched as a joint initiative between the Massachusetts Institute of Technology (MIT) and the government of Malaysia on March 22, 2011 until January 13, 2022. MISI University focus is on education, research, and corporate outreach activities in supply chain management and logistics. MISI University is wholly owned by Malaysia Logistics Innovation Berhad (936566-D) a subsidiary of Universiti Teknologi MARA (UiTM).
